ADVANCE NOTICE

Mercy Hospice Auckland,

The Goodfellow Unit and

The School of Nursing (University of Auckland) jointly present:

STRATEGIC DIRECTIONS IN PALLIATIVE CARE

Barbara Monroe BA BPhil CQSW

CEO of St Christopher's Hospice, London

Palliative Care Programme Leader, Kings College, London

This Symposium will focus on the provision of palliative care services examining current national and international trends in service delivery. The programme will address leadership and planning and will include discussion on expanded community-focused services, palliative care in aged care services, the role of the specialist service, palliative care in non-malignant diseases including dementia, linkage with primary health care, the palliative care workforce and developing leaders for the future. Barbara will present a major component of the programme supported by local clinicians and managers.

The programme is also available as a 15 point postgraduate course (POPLHLTH 759). For postgraduate enrolment enquiries, please contact Upendra Wickramarachichi, Course Administrator, (09) 373 7599 x83058 or email u.wicks@auckland.ac.nz The 3-day Symposium is at the:

School of Population Health, Tamaki Campus, University of Auckland on
Wednesday 3rd—Friday 5th March, 9 am - 4.30 pm
